TRUE STEP High Performance Athletic Socks for Kids

A real treat for your feet - they make old shoes feel almost like new again

KIDS SOCKS

LOW CUT - ANKLE SOCKS

MID CALF - CREW SOCKS

Made with **COOLMAX®** and **LYCRA®** for comfort, stretch and durability.

The key to **COOLMAX®** technology is in the weave of the fabric itself. The way the fibers are woven wicks moisture to the surface while allowing air to pass through. This feature is built into the fabric so it lasts wash after wash.

LYCRA® adds high stretch capability and provides comfort, fit, shape retention, durability and freedom of movement.

- Soft, Breathable, Durable, Lightweight, Quick Dry fabric
- Compression fit arch support
- Comfortable soft feel on skin
- Wicks moisture away to keep feet feeling cooler and dryer
- Multiple cushioning zones for more protection where it's needed most
- Lightweight mesh top of foot for improved ventilation
- Anatomically correct Left and Right sock shape for perfect fit
- Fade Resistant Fabric
- 50% Nylon, 10% Cotton, 34% Polyester, 6% Spandex

Sold as a **2-PACK** = 2 Pairs of Socks
Choice of **3 Color Combos**.
